Dr. Schutz®

The new innovative DR. SCHUTZ system for sports floors — transparent or colored coatings and ultra-resistant lines, all in one polyurethane water-based solution.

- **Cost & Time Efficiency** – No floor removal, quick drying time, lower costs.
- **Durability & Performance** – Strong PU coating, slip resistance, easy maintenance.
- **Sustainability** – Minimal waste, lower CO_2, eco-friendly solution.
- **Design Flexibility** – Multiple colours, personalised logos
